Event deliverables

Deliverable	What you receive
Event highlight	1 film, 60–120 seconds.
Focused films	2 films, 45–90 seconds each. LP-targeted and founder-targeted; focus can be adjusted.
Social clips	6 clips with two-day coverage; 9 with three-day coverage. 15–30 seconds each, ready for LinkedIn and other social channels.
Full-length talks	Full-length films of all talks recorded during your selected event coverage.

The event package includes creative planning, crew, filming, editing and production logistics.

Optional: Fund II LP Film Kit preparation

Additional £6,000 when combined with your event package.

Use the event shoot to prepare core assets for your Fund II raise.

- Story development and a film outline around your investment thesis and how Top Down creates value.
- Core interviews and supporting footage, captured alongside your event coverage.
- An organised footage library, transcripts and selected moments, ready for us to edit into your LP Film Kit for the Fund II raise.

Editing of the finished Fund II films is quoted separately. You own the captured assets and may use another editor.
